### **About the Event**

This ecumenical training event is for church leaders seeking a way to welcome seekers and newcomers to the church. This event will explore the ancient Catechumenate now being revived in the contemporary church.

Reverend Dan Benedict will lead us in considering how “we become the story we tell” as we explore the stages of the Catechumenate process and experience its elements and worship rites in both large group and small group venues. This event is recommended for teams of two or more from your congregation – pastors, musicians, lay leaders, and staff responsible for adult faith formation. You will be provided training and resources needed to begin a catechumenate in your congregation or enhance one already in process.

This event is sponsored by Phinney Ridge Lutheran Church and Journey to Baptismal Living: The North American Association for the Catechumenate.

The event starts Friday evening at 5:30 p.m. and concludes on Saturday evening at 5:30 p.m. We begin with dinner on Friday evening. Saturday includes morning snacks and lunch. Housing is on your own. Suggestions for housing can be found below.
